National Feral Cat Day

Come join us at the Fairview Mall, St. Catharines,
on Saturday October 16

Niagara's Animal Rescue groups will be available from 8am-6pm ,
with demos of trapping, history of TNR (trap neuter return) and
more

The practise of TNR goes back to atleast the 1950's.

Alley Cat Allies is the international resource on feral cats .
Alley Cat Allies created the first National Feral Cat Day on
October 16, 2001.

TNR has many solid and measurable advantages :
a drop in the euthanasia rate
decrease in complaints, as the need for male cats to roam and
spray and fight is reduced
reduction in public spending for animal control

as said by Nathan Winograd (no kill advocacy centre founder):

"Cats in managed colonies often lead long contented lives."

grandmother and owner and
caregiver of two cats, Scooter
and Peekaboo! Janet says: I
enjoy helping out with the feral
support group, fundraising and
the CatMOBILE. I want to
help our furry little friends that
don't have a voice.

meow meow meow thank-you
Janet for all you do for all of us

Volunteer of the Month

Puddles muffin
Cat of the Month

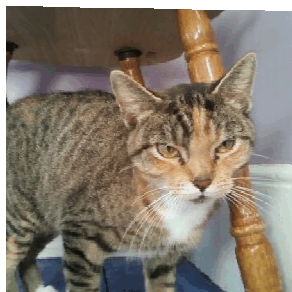

Puddles muffin was found in
a ditch , a little kitten in the
winter time. Somebody had
pulled out a lot of her toe
nails. She didn't trust ,it took
a long time, she doesn't like to
be held. She loves being
brushed and needs a quiet
home. Her nails all grew back

- Animal Health Week is October 3-9

is a national public awareness campaign organized by the Canadian Veterinary Medical Association and hosted by Veterinarians across Canada. This annual campaign gives veterinary professionals in all practice types the opportunity to show their dedication to the profession and to the betterment of animal health. The slogan for 2010 is 'Let's see your I.D.' It's about educating people about the importance of identifying their animals to ensure a higher chance of recovery

(missing pet partnership is an excellent resource for lost /found tips, see the link on our website as part of our **Operation NORTH STAR** program in educating owners on tips for lost/found animals)

Your Clues

He put out as much importance on them (his cats) as any human in his life

he said.. "when I'm dead I want to be remembered as a musician of some worth and substance"

he had many cats he rescued and his favorite was Delilah , he wrote a song for her when he was in Switzerland

*Delilah, delilah, oh my, oh my, oh my - you're irresistible
 You make me smile when I'm just about to cry
 You bring me hope, you make me laugh - you like it
 You get away with murder, so innocent
 But when you throw a moody you're all claws and you bite -
 That's alright!
 Delilah, delilah, oh my, oh my, oh my - you're unpredictable
 You make me so very happy
 When you cuddle up and go to sleep beside me
 And then you make me slightly mad
 When you pee all over my chippendale suit
 Delilah, delilah,
 Hey - hey - hey,
 You take over my house and home
 You even try to answer my telephone
 Delilah, you're the apple of my eye
 Meeow, meeow, meeow,
 Delilah - I love you
 Oh you make me so very happy - you give me kisses
 And I go out of my mind ooh,
 Meeow, meeow, meeow, meeow,
 You're irresistible - I love you delilah
 Delilah - I love you hah hah
 you make me very happy, oh yeah
 Oooh - I love your kisses
 Oooh - I love your kisses
 Oooh - I love your kisses...I love your kisses love your kisses love your kisses love you're your your kisses I love your kisses*

Cat Tunes And Tips

*your favorite, what poem, picture , story , song, would you like to be made known. One way of **raising their status** is to share these images. This section is for sharing tips and tricks and ourselves with others, calling musicians, send in songs calling artists of all sorts.....throughout history there have been individuals who have admired cats and wanted to raise their social status.*

To enter this contest, yes this is a contest, please send in who the above person is along with your social thrust selection, meaning your entry, which could be a song you know of, like delilah written above, or an original.
